CAREER OBJECTIVE

Information technology professional with 10 years of experience and a proven knowledge of data communication systems, configuration management, and intranet infrastructure. Aiming to leverage my skills to successfully fill the Software Development role at your company.

EXPERIENCE

OPERATIONS TECHNICIAN
NBC, Sacramento, CA / Jun 2017 - Present

- Play and record broadcast programs using automation systems.
- Maintain programming logs, as required by station management and the Federal Communications Commission.
- Set-up, operate, and maintain broadcast station computers and networks.

DELIVERY DRIVER
Steve's Pizza, Woodland, CA / Sep 2013 - Jan 2018

- Record sales or delivery information on daily sales or delivery record.
- Arrange merchandise and sales promotion displays or issue sales promotion materials to customers.
- Write customer orders and sales contracts according to company guidelines.

INTERN
KCRA, Sacramento, CA / Aug 2017 - Dec 2017

- Edit video for broadcast productions, including non-linear editing.
- Set up and operate electric news gathering (ENG) microwave vehicles to gather and edit raw footage on location to send to television affiliates for broadcast.
- Confer with directors, sound and lighting technicians, electricians, and other crew members to discuss assignments and determine filming sequences, desired effects, camera movements, and lighting requirements.

EASY TECH
Staples, Santa Cruz, CA / Sep 2010 - Sep 2013

- Reinstall software programs or adjust settings on existing software to fix machine malfunctions.
- Advise customers concerning equipment operation, maintenance, or programming.
- Maintain records of equipment maintenance work or repairs.
